

Horse Sponsorship Program

Bachelor Creek Ranch was founded after seeing the amazing affect our horses had on the young people around them. Their ability to bring out the best in everyone who comes in contact with them is truly a miracle of the LORD. Because these magnificent animals seem to have the knack of relating to children on a unique level, they act as counselors, encouragers, and confidants.

For the horses that call BCR home, we offer a safe environment, a gentle hand, and a purpose for their lives. Our handling techniques focus on building a relationship of trust and mutual respect. We want the horses to understand that we will never require anything of them that will harm them.

Please consider sponsoring one of our horses. By simply choosing a sponsorship level, you can contribute to the quality care we give our horses and further ensure "cost free" opportunities for children to experience the ranch in the following ways:

- Innumerable hours with child and leader one-on-one
- Regular interactions, both mentally and physically
- Endless grooming
- Hay and grain as needed
- Supplements as needed
- Routine preventative vaccinations & worming
- Hoof trimming and shoeing by a professional farrier
- Replacement and repair of tack and equipment as needed

This agreement in no way entitles sponsor to ownership and/or exclusive privileges in any way to sponsored animal or ranch property. BCR accepts all liability expressed and/or implied, for all sponsored animals. Sponsor has the right to cancel this agreement with a 30 day notice to BCR administration. All moneys received from sponsor to date of cancellation remain the property of BCR.

If you would like to receive a receipt for your contribution, please be aware that our 501(c)3 status is pending. We will notify you once our status has been approved.
